ORDER

Magistrate Judge Bernard M. Jones has issued a Report and Recommendation (doc. no. 8), which recommends denial of plaintiff's motion to proceed without pre-payment of fees. The Report and Recommendation also recommends that this action be dismissed without prejudice unless the filing fee is paid in full within twenty-one days of the entry of any order adopting the Report and Recommendation.

The Report and Recommendation provided notice than any objection was due by December 12, 2016, and that failure to object waives the right to review of both the factual and legal issues contained in the Report and Recommendation. No objection to the Report and Recommendation has been filed, and plaintiff has not sought an extension of time within which to object.

After review, the Report and Recommendation of the Magistrate Judge is **ADOPTED, ACCEPTED** and **AFFIRMED**. Plaintiff's motion to proceed without pre-payment of fees is **DENIED**. Doc. no. 2. Absent payment of the \$400.00 filing

fee to the Clerk of the Court within twenty-one days of the date of this order, this action will be dismissed without prejudice.

Dated this 14th day of December, 2016.
